

MAKING DIRECT RELATIONSHIPS WITH FAMILY MALES

TRADITIONAL MODEL:

Most work done with the mother only

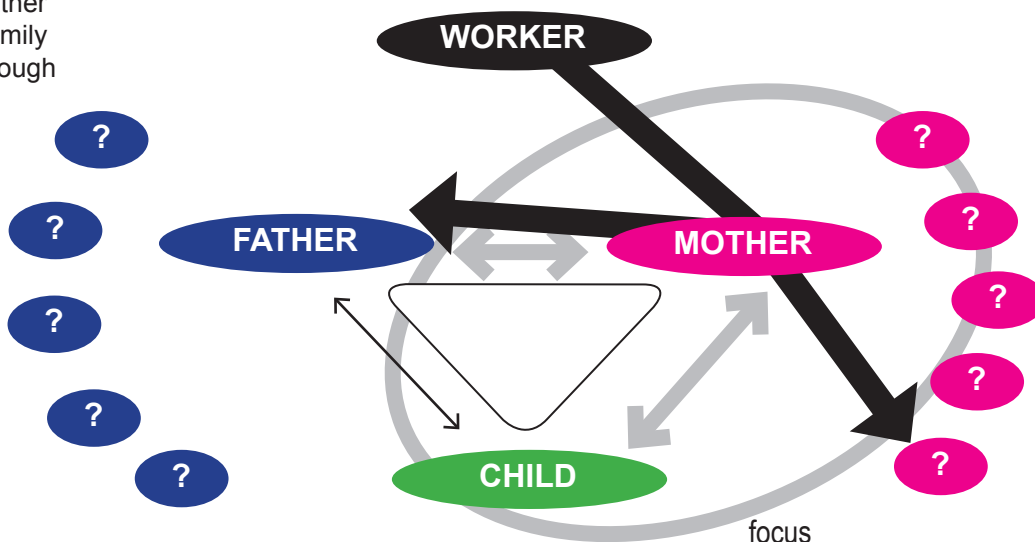

Paternal grandparents, uncles, aunts, cousins, siblings, step siblings, providing love, finances, different models of good relations and behaviour, continuity in the event of break-up

Maternal grandparents, uncles, aunts, cousins, siblings, step siblings, providing love, finances, different models of good relations and behaviour, continuity in the event of break-up

ENHANCED MOTHER FOCUS MODEL :

Worker seeks father and extended family involvement through the mother

DIRECT RELATIONSHIPS & MAXIMISING CHILD'S SUPPORT MODEL :

Workers identify all significant support and make direct independent relationships, actively promoting mother-father co-operation
